

## **Engineering Club**

### **Club Objectives:**

1. Serve Faculty and Faculty students to the fullest extent.
2. Advance the level of volunteer work.
3. Motivate students to carry out social and recreational scientific activities.
4. Perform various voluntary work to serve the local community.

### **Strategies to achieve these goals:**

1. Carry out various curricular and extracurricular activities.
2. Guide freshman students in the Faculty.
3. Raise students' awareness about the importance of student work.
4. Organizing courses with new, innovating skills.

### **Selected events carried out in cooperation with the students of the Club:**

1. Organize the PlayStation Championship (8/11/2018).
2. Implement a campaign to clean up the King Talal Dam area.
3. Establish a Ramadan Iftar for faculty students.
4. Organize review sessions for some courses during exam periods.
5. Organize a visit to the East Jerash Wastewater Treatment Plant.
6. Organize a visit to Ajloun Forest Reserve.
