

Environment Committee

We, the students of the Environmental Committee club, seek to present initiatives in the field of environmental protection and conservation inside and outside the university.

Mission:

Reaching a green environment free from pollution by enabling the Jordanian Environmental Law and regulations to preserve the environment inside and outside the university in partnership with the local community.

Objectives: The Environmental Committee at University of Petra aims to:

1. Preserving the natural environment in the university with all its components.
2. Use all available materials that are not necessary at the university and benefit from them.
