

Hope Club

We are a group of male and female students of this wonderful university. Our goal is to help students, guide them and work with them to nurture a generation of concerted and cooperative youth, connecting among students and qualifying them to serve the community.

- **Club goals:**

1. Enabling and establishing the concept of volunteer work for university youth groups.
2. Giving university youth a sense of belonging to their community and assuming some of the responsibilities that allow in addressing social needs or serving the community.
3. Attracting volunteers from the concerned parties, training and qualifying them to carry out community service.
4. Embodying the moral values of volunteerism, such as: Togetherness, cooperative spirit, and giving free of charge.
5. Fostering a cooperative spirit between young volunteers and public associations and institutions.
6. Engaging in meaningful and beneficial activities for students and all, in addition to setting up charitable initiatives in the name of the university.
