

## **Acknowledgement**

I would like to thank my supervisor Dr. Wael Abu Dayyih for his great help and guidance during all stages of my work, Dr.Eyad Mallah for his support and guidance. Special thanks go to my family of Dar Al Dawa (DAD) for all the efforts and support throughout this study. My great thank to all members of the examination committee for their efforts in evaluating this research. Many thanks go to Dr.Ghazi Al-Adwan from DAD for his great help.
