

## List of Figures

Figure 1	Mechanisim of action of PPIs	2
Figure 2	Chemical structure of PPIs	9
Figure 3	Chemical structure of esomeprazole	14
Figure 4	Chemical structure of tadalafil	24
Figure 5	Solvent (mobile phase) chromatogram	49
Figure 6	Chromatogram of system suitability	51
Figure 7	Chromatogram of method precision	53
Figure 8	Chromatogram of intermediate precision	55
Figure 9	Linear curve of esomeprazole	57
Figure 10	Linear curve of tadalafil	59
Figure 11	Linearity results of level 50	59
Figure 12	Linearity results of level 80	60
Figure 13	Linearity results of level 100	60
Figure 14	Linearity results of level 120	60
Figure 15	Linearity results of level 150	61
