

List of Tables

Table 1	R- groups for the general structure of PPIs	10
Table 2	Some of common PPIs	11
Table 3	Pharmacokinetics parameters of esomeprazole	13
Table 4	Physical properties of esomeprazole	15
Table 5	Pharmacokinetics parameters of PDE5 inhibitors	21
Table 6	Common side effects of PDE5 inhibitors	22
Table 7	System precision test results	50
Table 8	Method precision test results	52
Table 9	Results of intermediate precision	54
Table 10	Results of linearity of esomeprazole	56
Table 11	Results of linearity of tadalafil	58
Table 12	Results of accuracy of esomeprazole	61
Table 13	Results of accuracy of tadalafil	62
Table 14	Results of stability test of esomeprazole after 24 hr	64
Table 15	Results of stability test of tadalafil after 24 hr	65
