

ACKNOWLEDGMENTS

I would like to thank my supervisor Dr. Wael Abu Dayyih and co-supervisor Dr. Eyad Mallah for their great help and guidance during the time of my work. I would like also to express my thanks and respect for Prof. Tawfiq Arafat, the Department of Chemistry at University of Petra for their great support. Special acknowledgment is due Ahmed Abu Hamaid and Seba Qussini.

My great thanks and acknowledgment is due to all members of the examination committee for their efforts in reading and evaluating my work.
