Appendix A: Working Unit Effectiveness (WUE) Survey

I would like to thank you for your kind contribution in filling the below survey....

You are evaluating the team mentioned below because you are familiar enough with teamwork process and performance, if you are not; please do not answer this survey for this team or any of the sub-categories.

The survey contains 9 questions that should be answered on a five point scale from 1 to 5. 1 gives very low and 5 gives very high.

Your answer will be linked with the result of teamwork KSA test that is filled by team members. The results will be used for academic purposes in order to finalize my MBA study. Hence, please be precise to give the most accurate rate you believe it represents the team.

Best regards,

Zakareya Abu Atiah
