Dear Mary

Thank you for your prompt reply and approval to use the test. However, can you kindly send us a soft copy by e-mail of the instrument. Also, if you have any special statistical analysis that we should follow would also be appreciated.

Once again I thank you very much and look forward for cooperating with you

Regards

Hala

Oh Gosh, I am afraid I don't have those records any more. I'm so sorry. They were paper versions and I have been through multiple moves since that time and they didn't survive the moves. You can try George Graen to see if he has it: lmxlotus@aol.com
