### 3.5.2.3. Sampling for WUE

In order to determine the sample to fill the WUE survey, many sessions were arranged with the human resource department at Fine Company. As a result, 25 managers and section heads were selected as expertise to evaluate the 20 teams. The number of replies expected from those managers was 105 replies in total and gives 5 to 6 evaluations for each team. Managers did not evaluate all teams they were asked to evaluate, so the total received responds was only 82 with a response rate of 78%. The actual number of
