

Hello Prof. Stevens,

I am happy to hear from you and sorry for the inconvenience caused in sending the "Maintenance of Test Security and Copyright Compliance". It is my mistake I thought I have attached it before. However, I send you herewith the required compliance dully signed in.

I hope this will be satisfactory and look forward for your reply.

Thank you again with my best regards

Hala

Subject: Re: KSA test

Greetings, Hala,

Thank you for following up so quickly with your signed and completed form.

I have attached a Word document with all the items from the original English version of the Teamwork-KSA Test. You may generate an Arabic translation for your study. When you are completed with the translation, please send me an electronic copy and we can then develop a data collection and data processing protocol that best suits your needs.

I look forward to your successful study.

Best regards.

Michael J. Stevens, PhD
