

Preview of **NEXT MONTH'S ISSUE**

MODERN DESIGN MAGAZINE CELEBRATES ITS FIRST BIRTHDAY WITH AN ISSUE PACKED FULL OF AMAZING ARTICLES, PROFOUND PROFILES, INGENUOUS INNOVATIONS AND ALL THE USUAL NEED-TO-KNOW NEWS AND EVENTS.

People and Places.

Sculptor Richard Serra ¹ opened his new show, 'Promenade' at the Grand Palais, we take a tour through this monumental exhibition.

Architecture

Experience the striking stainless steel ribs of the new Arezzo Law Court by Manfredi Nicoletti ². Juxtaposed against a medieval city in Italy, it's certainly no civil offence!

Motors

Against the grain, we examine Joe Harmon's wooden super car ³. Watch it varnish into the distance at break-neck speeds.

Music

Our first anniversary edition warrants a celebratory day out of the office (please boss). The design crew heads south for an offbeat experience at the Tangier Jazz Festival ⁴.

And lots more!

No coffee table should be without **Modern Design Magazine**, avoid embarrassment and sign up for a year's free subscription. Check us out online at www.d-earle.com
