

The lighting equipment is mounted on three multifunctional channels that run parallel to the windows. They contain two louvred luminaires for the lighting of the desk, downlights for the illumination of the desk and conference table and directional spotlights to illuminate the cupboards. Outlets are available for spotlights for the illumination of the remaining wall surfaces.

Recessed louvred luminaire for fluorescent lamps.

Recessed directional spotlight for halogen lamps.

Recessed downlight for halogen lamps.

Singlet with spotlight.

Wallwashers aligned with the cupboards provide the ambient lighting. The desk has a task light, a double-focus downlight accentuates the conference table. Surface-mounted spotlights pick out points of interest on the remaining wall surfaces.

Recessed wallwasher for halogen lamps.

Recessed double-focus downlight for low-voltage halogen lamps.

Singlet with spotlight.

Task light for compact fluorescent lamps.

Recessed louvred luminaires illuminate desk and conference table. Track-mounted wallwashers provide vertical lighting on the end walls and produce a bright and friendly atmosphere.

Recessed louvred luminaire for fluorescent lamps.

Track-mounted wallwashers equipped with halogen lamps.

Recessed washlights provide uniform lighting of the wall lined with cupboards and one of the end walls; the reflected light also provides the ambient lighting. Desk and conference table are accentuated by spotlights mounted on a recessed track. Other points of interest are picked out by further spotlights.

Recessed washlights and corner washlights for general service lamps.

Track with spotlights.
