

# August 6

Have you not seen  
how God sends rain down from the sky,  
making the earth green?  
God is indeed the All-Knowing, the All-Encompassing,  
and commands all that is in the heavens  
and on the earth.  
God is indeed the Wholly Sufficient,  
the Most Praiseworthy.

Have you not seen how God  
has made everything on earth to be at your service?  
Ships sail the seas thanks to God's law,  
He also holds up the skies preventing their fall to earth;  
except by God's permission.  
God is indeed Kind and Merciful to people.

God gave you life,  
then will cause you to die,  
and then will give you life again  
[on Judgment Day].  
But much of humanity tries to hide that Truth.
