

# September 17

Evil has appeared on land and sea  
because of what the hands of people have done.  
Therefore God will cause some evil to happen  
to evil-doers,  
so that they may stop.

# September 18

Nonbelievers will be harmed by their nonbeliefs,  
but those who do good will be investing well  
for themselves.

For God will reward those who believe  
and do good with His bounty,  
but will not show love to the nonbelievers.
