

October 1

Neither your worldly wealth nor your offspring alone
can bring you closer to Us.

But those who truly believe
and do good deeds,

will have multiple rewards for their faithfulness,
and in the Hereafter they will be housed in Paradise
in rooms of peace and security.

But those who deny Our message in these verses
will be brought to severe torment.

34:37-38

October 2

Those who lust after power and honour
must not forget that all power and honour
belong to God.

Good words ascend to God
and good deeds along with them are even better.
But those who scheme to do evil
will receive severe punishment
and all their plans will come to nothing.
