

God, who is the Most Forgiving
and the Most Thankful,
will repay their work in full measure and beyond.

35:27-30

October 6

And for all people
We created signs in the dead earth,
reviving it and bringing forth grain
from the soil for them to eat.
We also created earthly gardens
of date-palm trees and vineyards,
from which springs of water gush forth.
All of this We have done,
so that people may feed on the fruits of nature
and on whatever their human hands can grow.
Then will they not be grateful?

Give glory to God,
who created people and living beings,
and even other things that they do not know,
all in pairs.

36:33-36
