

October 7

Humanity forgets how it has been created
and challenges Us by posing questions
regarding the Hereafter,
such as, 'Who will revive our bones after they rot?'
Then answer them: 'It is God
who created you the first time,
Who is fully knowledgeable of everything
in the Universe,
Who made fire for you out of green trees,
so that you may burn them for fuel.

Can the One Creator of the heavens and earth
create their like again?
Of course! God the All-Knowing is forever the Creator,
the One who can will the creation of anything
by commanding 'Be' and it will be.
Therefore, give all glory to God,
the One whose hand holds the dominion of everything,
and to Whom you shall all return.

October 8

If God had wanted to have a son,
He could have chosen one
from among what He has created as He wills.
But glory to Him who did not do so,
who is ever the One God, the Most Supreme.

God created the heavens and earth in divine Truth,
merging the night into the sphere of the day
and the day into the sphere of the night.
As well, the sun and the moon were created
to serve you,
each moving in its orbit for a definite period of time.
And none but the All-Mighty, the Most Forgiving,
could create all of humanity from a single soul.

From that original soul God created also its mate,
creating likewise the cattle in pairs –
such as sheep, goats, oxen and camels.

God creates humans in their mothers' wombs,
one stage at a time;
