

October 15

The angels, who bear God's throne and surround it, glorify and praise the Lord in Whom they believe. They ask for forgiveness on behalf of believers, saying 'Our Lord, You have encompassed everything with your mercy and knowledge. Forgive those who repent and follow Your Way, and save them from the torment of Hellfire.

Our Lord, admit them, their righteous ancestors, spouses and offspring to the Gardens of Paradise which You have promised them.

You are surely the All-Mighty, the All-Wise. And save them from committing sins, for those You save are then showered with mercy. Indeed this is the true and ultimate success.'

40:7-9

October 16

Call on God with sincere faith,
even when nonbelievers hate your righteous acts.
God is the Most Exalted,
the Possessor of the Throne,
Who reveals to certain chosen servants the Word
that warns all people about Judgment Day.

On that Day, all will be revealed
and no one will be able to hide from God.
On that Day, Who do you think will possess
the dominion of all things?
Indeed, it will be none other than God,
Who is the One, the Most Supreme.

On that Day, everyone will be rewarded
according to what he or she has earned in life.
There will be no injustice committed,
for surely God is swift at reckoning.
