

praise their Lord continually,  
night and day, and never grow tired.

41:34-38

# October 24

We shall show the nonbelievers  
signs of our creation,  
both in the Universe  
and within themselves,  
until they clearly know  
that [the Qur'an] is true.  
Is your Lord not sufficient  
as a witness over all things?

The nonbelievers still doubt  
they will meet their Lord,  
but God is surely knowledgeable  
about everything.
