

Such things are as hateful
as eating the flesh of your dead brother.
Do you really want to do that?

Therefore, fear and revere God,
for God, the Most Merciful,
always accepts true repentance.

49:11-12

November 14

Have the nonbelievers not looked up
at the sky overhead
and seen how seamlessly and beautifully We made it?
And have they not also observed how
We spread out the earth,
with its mountains and diverse terrain,
how We caused numerous beautiful and useful plants
in pairs to grow there?
All are provided for the use of God's humble servants,
to give everyone a reason
for contemplation and remembrance.

We also sent blessed water down from the sky,
so that gardens and grain fields will grow
and tall palm-trees will fill with clustered fruit.
For with this water,
We revive the dormant earth,
and this sign is similar to your future resurrection
[on Judgment Day].
