

November 27

There is no calamity that strikes the earth
or its creatures
that is not written in [God's] book
even before it happens,
for this is easy for God.

Therefore, do not grieve excessively
over what you fail to achieve
or what you may have lost.
God dislikes those who are arrogant and vain,
as well as those who are miserly
and encourage others to be so.
God is the All-Rich, the All-Worthy of praise.

Our Lord, we pray
that You do not use us as means to test nonbelievers.
And we ask also your forgiveness,
for You are the All-Mighty, the All-Wise.
