

December 4

Everything in heavens and earth
glorifies God, who is the Ruler,
the Most Holy, the All-Mighty, the All-Wise.

It was God who sent a Messenger [Muhammad]
to the unlettered people, one of them,
to recite to them the Divine words,
to purify them and to teach them wisdom
and the Book [Qur'an].
They were indeed formerly misguided.

And the message of the Qur'an
was also recorded to reach others,
who have not yet joined the faith.
God the All-Mighty, the All-Wise,
and Possessor of the Great Grace,
bestows divine Grace upon the chosen.

December 5

O all you who believe!
When the Friday prayer-call is sounded,
leave your homes and business
and go to remember God,
for this is to your benefit if you really know.
And after you finish Friday's prayers,
then go your separate ways,
working throughout the land
as good stewards of God's bounty.

Remember God often
so you will be truly successful.
