

And have We not sent down rain abundantly  
from the clouds,  
to bring forth grains, vegetation, and lavish gardens?

The deciding time of Judgment Day  
is absolutely coming,  
at Our predetermined time.

78:1-17

# December 22

Cursed be that ungrateful person  
who disbelieves!

From what has God created humanity,  
but a cluster of cells with a predetermined plan.  
Then God reveals a path of guidance  
that is easy for a person to follow,  
eventually causing the person's death.  
Later, the person will be resurrected when God wills.  
But the human has not done what was commanded!
