

December 23

Let people look to their food.
We have poured down water abundantly
and broken the earth thoroughly
so that it will grow grains, grapes, clover,
date palms, lavish gardens, fruits and herbage.
All are for your provision and that of your cattle.

80:24-32

December 24

Glorify the name of your Lord,
the Most High, the Creator
who shaped everything perfectly.
It was God who planned Creation
and whose will guided certain ones.
This same God brings forth green pasturage,
and can likewise turn it into black stubble.

87:1-5
