

February 25

O people!

The Messenger [Muhammad] has come among you
with the Truth from your Lord.

Believe it, for this is good for you.

But if you do not believe, remember that whatever
is in the heavens and the earth
belongs to God.

For God is the All-Knowing and the All-Wise.

[Jesus] the Messiah never felt too proud
to be God's servant,
nor do the Angels who are near to Him.
Whoever feels too proud and arrogant
to worship and serve God
should remember that He will summon everyone
[on the Day of Judgment.]

Those who in this life believed and did good deeds,
will be rewarded by His bounty.
But those who were too proud and refused to believe,
will be punished with painful torments;
except for God, they will not find anyone
to protect or help them.
