O people!

Convincing proof has come to you  
from your Lord [through our Messenger, Muhammad,]  
through whom We sent down [the Qur'an]  
to be a clear guiding light.

To those who believe in God and remain faithful,  
He will grant them His mercy and bounty,  
and guide them to Him through the Straight Path.

4:174-175

O all you who believe!  
Stand up for God as just witnesses  
and strive to be fair, even to your enemies.  
Be just, for justice leads to piety,  
and revere God, for God knows all that you do.

God promises forgiveness  
and great rewards to those who believe  
and do good deeds.  
As for those who do not believe  
and who deny God's signs,  
they are destined for Hellfire.
