

I turn my face wholly to Him
who has created the heavens and the earth.
I am totally committed to believing in One God
and am surely not among those
who recognize any partner with Him.'

6:76-79

March 22

Surely it is God who makes
the seed-grains and date-stones
to split and sprout.
He brings forth the dead from the living,
and the living from the dead.
This is what the true God can do.
How then, can you deviate from the Truth?

He makes the daybreak for working,
the night for resting,
and has set the sun and moon in the sky
for measuring time.
All these creations are perfectly determined
by the All-Mighty, the All-Knowing.

He created the stars to guide you
through darkness on land and at sea.
