

March 26

Your Lord knows
who strays away from His path
and who are the rightly guided ones.

6:117

March 27

It is God Who created gardens,
trellised and untrellised,
with date-palms
and food crops of different flavours,
with olives and pomegranates,
with fruits both similar and varied.
Eat of these as they ripen,
but on the day of harvest,
give some also
to the poor and needy.
And do not over-eat,
for God does not approve of gluttons.

6:141
