It became black like the black herb called tannumah. One of us said to his companion: Let us go to the mosque; by Allah, this incident of the sun will surely bring something new in the community of the Apostle of Allah (peace_be_upon_him). As we reached it, we suddenly saw that he (the Prophet) had already come out (of his house). He stepped forward for a long time as much as he could do so in the prayer. But we did not hear his voice. He then performed a bowing and prolonged it as much as he could do in the prayer. But we did not hear his voice. He then prostrated himself with us and prolonged it which he never did in the prayer before. But we did not hear his voice. He then did similarly in the second rak'ah. The sun became bright when he sat after the second rak'ah. Then he uttered the salutation. He then stood up, praised Allah, and extolled Him, and testified that there was no god but Allah and testified that he was His servant and apostle. Ahmad ibn Yunus then narrated the address of the Prophet (peace_be_upon_him).
