

44. JOYCE, R.
The CDM regulations explained
Thomas Telford Publications, 1995
45. CONSTRUCTION INDUSTRY RESEARCH AND INFORMATION
ASSOCIATION
Report 145
CDM Regulations - Case study guidance for designers: an interim report
CIRIA, 1995
46. CONSTRUCTION INDUSTRY TRAINING BOARD
Construction site safety - Safety notes
CITB, 1996
47. CONSTRUCTION INDUSTRY ADVISORY COMMITTEE
Designing for health and safety in construction
HSE, 1995
48. OGDEN, R.G. & HENLEY, R.
Interfaces: Connections between steel and other materials
SCI, 1996
49. NEWMAN, G.M.
The fire resistance of composite floors with steel decking (2nd edition)
SCI, 1991
50. MULLETT, D.L.
Slim floor design and construction
SCI, 1992
51. NETHERCOT, D. A. & LAWSON, R. M.
Lateral stability of steel beams and columns
SCI, 1992
52. BRITISH STEEL
The section book
British Steel Corporation, BCSA, 1982
53. RHODES, J. & LAWSON, R.M.
Design of structures using cold formed steel sections
SCI, 1992
54. Holding down systems for steel stanchions
Constrado, BCSA, The Concrete Society, 1980
55. Steel Construction Yearbook 1997
McMillan - Scott PLC, 1997
56. HAYWARD, A., WEARE, F.
Steel detailers' manual
Blackwell Science Publishers, 1980

57. LAWSON, R.M.
Design of composite slabs and beams with steel decking
SCI, 1989
58. LAWSON, R. M.
Commentary on BS 5950: Part 3: Section 3.1 Composite beams
SCI, 1990
59. LAWSON, R.M., MULLET, D.L., & WARD, F.P.D.
Good practice in composite floor construction
SCI, 1990
60. CHUNG, K.F.
Building design using cold formed steel sections: worked examples to
BS 5950: Part 5: 1987
SCI, 1993
61. TREBILCOCK, P. J.
Building design using cold formed steel sections: An architects' guide
SCI, 1994
62. McKENNA & LAWSON, R.M.
Services integration in modern steel framed buildings
SCI, 1997
63. OGDEN, R.G.
Electric lift installation in steel frame buildings
SCI and the National Association of Lift Manufacturers, 1994
64. OGDEN, R.G.
Curtain wall connections to steel frames
SCI, 1992
65. STEEL CONSTRUCTION INSTITUTE
Glazing interfaces (provisional title)
SCI, to be published
66. BUILDING SERVICES RESEARCH AND INFORMATION
ASSOCIATION
Technical note 10/92
Space allowances for building services distribution systems - detail design
stage
BSRIA, 1992
67. DIX, T.R. & JONES, K.M.
International Convention Centre, Birmingham - Building services
engineering
Proceedings of the Institution of Civil Engineers, Structures and Buildings,
August 1992
68. BRITISH STEEL
The Colorcoat building - Design, specification and construction
British Steel, 1996
