

كما في الشكل التالي مثلا :

The screenshot shows a Windows application window titled "Form1". Inside the window, there is a data entry form with several fields and buttons. The "name" field contains "sameh hassan". Below it, there are two more fields: one containing "010991843" and another containing "cairo". To the left of these fields are two buttons: "MoveNext" and "MovePrevious". At the bottom of the form, there are four buttons: "Add", "save", "delete", and "import data". Below these buttons is a data grid with a single row and the text "Adodc1". A modal dialog box titled "Project1" is open in the foreground, containing a text input field with "ahmed" and "OK" and "Cancel" buttons.
